COMPANY LIMITED**

COMPANY PROFILE

“Your gateway to healthcare transformation.”

Since our inception in 2014, we've committed ourselves to prioritize safety and deliver top-tier medical solutions. Our focus on medical equipment, consumables, and safety gear reflects our dedication to enhancing patient care.

Within these pages, explore our mission of empowering healthcare providers and enriching lives. Through accountability, innovation, and quality service, we're redefining healthcare standards.

Join us on this journey to shape a safer, HEALTHIER FUTURE.

ABOUT US

Established on February 5th, 2014, Qualtrust Company Limited is the beacon of excellence in healthcare supplies, safety solutions, and Personal Protective Equipment (PPE). We have evolved into a prominent local entity with a global outlook. Our specialization encompasses the supply of medical equipment, consumables, safety gear, and a comprehensive range of PPE solutions.

OUR JOURNEY OF EXCELLENCE:

Founded under the wings of the Companies Ordinance (Cap 212) in the United Republic of Tanzania, our unwavering dedication has consistently aimed at reshaping the healthcare supplies landscape. While our foundation was laid upon safety gear, medical equipment, and consumables, we now proudly introduce an all-encompassing range of Personal Protective Equipment (PPE) and safety solutions.

COMPREHENSIVE SAFETY SOLUTIONS:

HEAD PROTECTION:

Our Head protection solutions stand as a fortress against potential risks in industries prone to falling objects, confined headspaces, and working at heights. Certified to industrial safety standards such as EN-397 and EN-12492, our helmets are available in a spectrum of colors, harmonized with accessories, and crafted by world-renowned brands including JSP, Uvex, and 3M.

For specialized requirements,

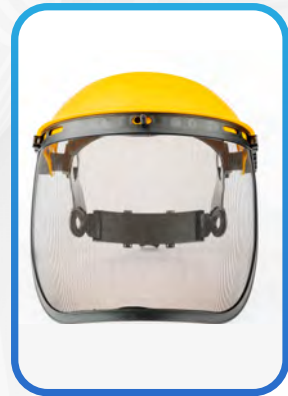

We offer industry-specific helmets including full brim, electric-resistant, working-at-height, high-temperature resistant, and forestry helmets.

COMPREHENSIVE SAFETY SOLUTIONS:

EYE/ FACE PROTECTION:

In the realm of eye protection, we acknowledge the vulnerability of the eyes to even the tiniest particles. Our certified eye protection products are designed to safeguard against particles travelling at high speeds, capable of causing critical eye injuries. Complying with EN 166 and ANSI standards, our assortment includes clear and dark eye protection, chemical eye protection, high-impact goggles, clear and tinted visors, welding protection, and over spectacles.

COMPREHENSIVE SAFETY SOLUTIONS:

FOOT PROTECTION:

Recognizing the pivotal role of foot protection, we offer EN ISO 20345 Certified Safety shoes that undergo rigorous testing in Tanzania for both durability and comfort. Our safety shoes come equipped with safety toe and midsole protection, anti-static properties, oil and acid resistance. Our collection spans safety boots, shoes, gumboots, rain boots, high-temperature footwear, ESD footwear, medical industry footwear, and food industry footwear.

COMPREHENSIVE SAFETY SOLUTIONS:

BODY PROTECTION:

Our high-quality, protective workwear offerings guarantee breathable comfort and uncompromising durability. From entry-level options to higher specification hazard protection wear, our array includes conti-suits, overalls, fire and flame-resistant workwear, anti-static workwear, aluminium suits, disposable coveralls, chemical protection suits, rainwear, and high-visibility workwear.

COMPREHENSIVE SAFETY SOLUTIONS:

HEARING PROTECTION:

Delicate and prone to irreparable damage, ears necessitate comprehensive protection. Our hearing protection product range encompasses disposable and reusable ear plugs, corded ear plugs, ear defenders, helmet-mounted ear defenders, and detectable ear protection.

COMPREHENSIVE SAFETY SOLUTIONS:

RESPIRATORY PROTECTION:

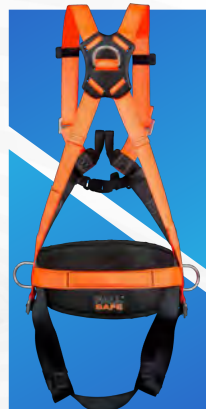

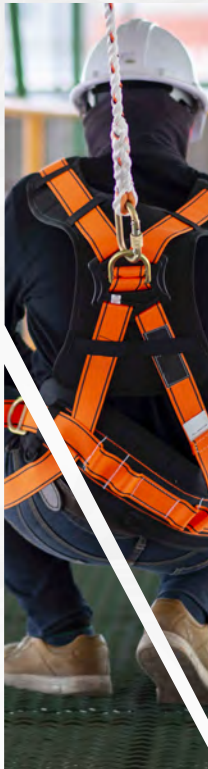

Acknowledging the hidden nature of respiratory injuries, we offer an array of disposable and reusable respiratory protection products. From simple dust masks to full-face respiratory equipment, our solutions stand as a barrier against significant injury and illness.

COMPREHENSIVE SAFETY SOLUTIONS:

FALL PROTECTION:

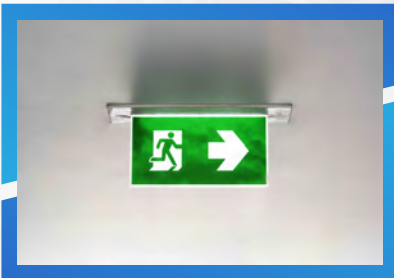

In the arena of working at height, where the potential for personal injury is significant, we present a unique range of fall protection equipment. Our meticulously designed harnesses, lanyards, restraint systems, lifelines, retractable fall limiters, rescue equipment, and specialized kits serve as a lifeline for those navigating elevated terrains.

COMPREHENSIVE SAFETY SOLUTIONS:

WORKPLACE SAFETY:

Equipping workplaces with appropriate response tools is vital in light of alarming workplace injury statistics. Our commitment extends to providing emergency showers, eye wash stations, gas detectors, first aid kits, spill control equipment, scaffolding, ladder tags, and torches for emergency lighting.

JOIN OUR JOURNEY

As we navigate this journey towards healthcare empowerment, safety enhancement, and PPE provision, let us collaboratively shape a world that is safer and healthier for all.
